Site Manager

Barhale is one of the largest privately owned infrastructure specialists in the UK and was originally formed in 1980 as a specialist tunnelling contractor diversifying over the years into various civil engineering areas.

Barhale works UK-wide across the water, transport, energy and developer services sectors providing design, construction and maintenance services under long-term contracts, with blue-chip public, regulated and private clients.

Your new role:

We are recruiting for a Site Manager to join the team in Currie. Reporting to the Project Manager, the candidate will set the highest possible standards of leadership in promotion of Health and Safety procedures and best practice alongside complying with company procedures and legal obligations.

Your role will be to promote the Barhale Cardinal rules and establish safe working cultures and practices. Ensuring that works are managed in compliance with company procedures and legal obligations, and monitoring and controlling financial aspects of contracts and to deliver project profit in line with business requirements.

You will be responsible for competition of RAMS, programme budget.

What skills do you need for this role?

We are looking for a candidate who has extensive experience Site Managing for SPEN and has SMSTS. You will have a team of reports, including foremen and engineers. The ideal candidate will have experience in the civils and power environment.

What's in it for you?

As well as offering a competitive salary, remuneration for this role includes flexible benefits, which provides a range of guaranteed benefits including but not limited to:

- Company car or car allowance
- 5% Company pension contribution
- Life Assurance at 2 x notional salary
- Single person's private medical cover
- Permanent Health Cover

What to do next
