Internal Sales Executive

The Role:

The Internal Sales Exec is responsible for maintaining and developing their own customer portfolio, with a keen focus on account management, in order to capitalise on customer relationships, follow up leads and maximise the potential for growth of the BCS business.

Key Responsibilities:

Customer Service

- Ensure the service provided to current customers is to a high standard
- Develop a key account management concept for relevant customers and ensure that they are contacted on a regular basis
- Provide advice and guidance to customers in the correct selection of products or services for projects
- Assist in the process to obtain feedback on a regular basis
- Manage customer complaints in a timely and professional manner

Sales

- Oversee the day to day running of external orders and enquiries received, including logging enquiries, updating, amending, managing entries to reflect current status
- Process orders received. Liaise with operations and logistics to ensure all orders are delivered on schedule
- Maintain the customer relationship management system
- Ensure that our product/service offering is maximised to existing customers and that cross-selling is attempted
- Achieve agreed targets for cold calling in order to increase revenue
- Assist with maintenance and further development of the sales and marketing plan, to develop the customer base
- Contribute towards the continued development of sales/marketing literature

Administration

- Plan and organise on a daily basis to ensure that all calls are properly logged ready for follow up, and that a weekly sales plan with priorities, goals and achievements can then be formulated. Distributing orders to operations

Key measures & targets:

- Manage a customer portfolio in an ever changing environment, with a focus on cross selling the whole range of BCS Group products/services
- Build a pipeline of opportunities in CRM for new business, negotiate and close those sales opportunities to ensure sales targets are met
- Ensure customer feedback is sought and captured on a timely basis

Key relationships:

- Account Managers and BCS Team
- Customers and clients
- Supply chain

come and work with us
