

come and work with us

Site Agent

The Role:

The Site Agent will be responsible for the management of the construction site in order to achieve required project delivery to the customers' objectives, while maintaining standards of health and safety, quality, environmental impact and cost control. They will deliver multiple on-going projects, to the specified quality, the required programme and to the maximum commercial performance. The post-holder will work closely with the Estimating Department, engineers and surveyors to ensure that projects are completed in a safe manner whilst customer requirements and expectations are always maintained or exceeded.

Key Responsibilities:

Site Management

- Ensure the commercial performance of the contract is maximised
- Assume overall responsibility for the successful delivery of projects
- Deliver the work safely and without environmental incidents
- Deliver the work to the specified quality without defects
- Ensure production and implementation of Project Plans, RAMS, ITP's and waste management plans, in line with Company procedures
- Produce and manage the project programme and produce 2 weeks look ahead
- Produce procurement schedules and liaise with the procurement department to ensure sites have adequate resources to complete the tasks

Client interface

- Undertake an ambassadorial role representing the business to customers, public and official bodies
- Deliver end product to customer satisfaction

Cost control

- Populate and manage the Barhale cost plan for the project
- Maximise project value
- Ensure detailed site diaries/records are completed
- Maintain commercial tension to drive out cost and challenge the status quo
- Endeavour to spot and highlight value engineering opportunities

Reporting

- Produce good quality, accurate monthly reports for the Client and internally
- Chair weekly site meetings in line with Company procedures

Key measures & targets:

- Monthly and weekly reporting timescales are met
- Adherence to Business Unit Objectives
- Ensure 3 Pillar KPI measures are met

come and work with us
