

come and work with us

HSE Advisor

The Role:

As a HSEQ Advisor you will support a number of projects to meet the requirements of the Safety Quality and Environment Management systems. The role will also involve assisting the site teams and managers by recognising hazards and seeking to minimise risks whilst creating, maintaining and improving the health, safety, environmental and Quality standards. You will champion HSEQ initiatives in the workplace whilst ensuring that legislation is adhered to.

Key Responsibilities:

Occupational health

Support the provision of occupational health within the business, under the direction of the Head of HSEQ
Support the communication and promotion of the monthly themes
Promote the value of occupational health at a local level

Advice and support

Provide consistent and accurate HSE advice to employees
Provide support to business units on HSE initiatives
Provide support on HSE issues/problems
Produce regional HSE statistics on a monthly basis, identify trends and take proactive initiatives

Communications

Contribute to general communications at a local level
Produce and communicate safety alerts following incidents to promote learning and prevention

Accident/incident investigations

Undertake timely investigations
Keep local and corporate management informed on status
Identify root causes
Produce safety alerts as above

Key measures & targets:

Adherence to all deadlines set

Key relationships:

Head of HSEQ and HSEQ team
Regional Directors and Managers
Site teams including Contracts Managers and Operations Manager
