Credit Controller

The Role:

The Credit Controller will be responsible for carrying out general sales ledger and credit control duties, in line with the agreed monthly programme. The main focus of this role is to liaise effectively with suppliers and build relationships in order to maintain effective credit control and therefore make a positive contribution to the BCS Finance function.

Key Responsibilities:

Cash collection & credit control

Ensure the timely collection of cash in line with customer trading terms Ensure the process for opening new external accounts is adhered to and maintain a folder for all signed credit account applications

Report on the number of average debtor days and aged debt on a monthly basis, highlighting overdue debts and formulating action plans in order to get up to date Ensure the timely cash collection from 'internal' joint ventures, resolving all queries with the appropriate cost manager

Compile weekly cashflow forecasts for 13 week forward plans

Accounts duties

Ensure all external invoices are registered, posted and sent to Accounts for processing, liaising with Sales Executives to resolve any queries Send out supplier statements and reconcile with payments received Provide support and back up to the BCS Accounts team as and when needed, carrying out

ad hoc projects and reports as required

General

Ensure that the level of service offered to internal customers is of the highest standard and all communications are maintained, dealing with any issues as a matter of urgency to minimise potential disruption to the business

Ensure that your actions always have a positive effect on the Three Pillars of Profit, Safety and Environment

Demonstrate the Company values whilst carrying out day to day duties

Key measures & targets:

Cash chased and collected on a timely basis Average debtor days

Key relationships:

BCS Finance team and wider BCS and Barhale teams Joint venture personnel External suppliers
