Health and Safety Advisor

Here within the @one Alliance we are a totally collaborative organisation made up of our seven partner companies (Anglian Water, Balfour Beatty, Barhale, MMB, MWH Treatment, Skanska and SWECO) and our extended supply chain, delivering over half of Anglian Water's capital investment programme.

We are heading into our latest Asset Management Period, known as AMP 7 and this will see us deliver a £2bn programme of work over the next five years. Are you ready to join us as we gear up to deliver the most exciting and innovative AMP we have ever seen.

Not only are we heavily customer- focused, we also care deeply about the wellbeing and safety of our circa 900 strong workforce within the @one Alliance. To keep our teams and employees safe in a variety of environments, we are looking for a Health and Safety Advisor to join the team.

The Role:

As our new Health Safety Advisor, you'll provide and maintain a robust plan and drive the core delivery team to deliver the project on time and in alignment with the agreed delivery strategy. By embracing new processes, ways of working and technology, you'll strike the required balance between performance and safety to ensure we remain at the forefront of our industry.

Key Responsibilities:

- Coordinate with department managers and site staff in preparation and maintenance of HSE risk assessments.
- Undertake site monitoring, risk assessments and site inspections; identify potential hazards within the workplace processes and ways of working and determine ways of reducing risks and preventing harm.
- Compile HSE statistics for reports and training.
- Implement a sustainable mechanism, coaching and training for keeping the site teams up to date with current health and safety legislation and site procedures.
- Source H&S solutions / equipment as required to close actions from audit inspections and incidents.

Person Specification:

With a clear passion for Health & Safety and a desire to follow a career in this field, you'll have prior experience within the Utilities and Construction industries and be NEBOSH certified. Familiar with HSE Management standards such as ISO14001, OHSAS 18001 and ISO 45001, you'll also have risk assessment experience in general manual handling, COSHH and PUWER.

Working with high levels of accountability and integrity, you'll truly understand the importance of delivering safety initiatives to meet business targets. With a strong appreciation for the customer and environment, you'll be able to work in collaboration with a wide-range of people in different situations and highlighting how nothing is so important, it can't be done safely.

come and work with us

Benefits:

As well as offering a competitive salary, remuneration for this role includes flexible benefits, which provides a range of guaranteed benefits including but not limited to:

- 5% Company pension contribution
- Company car/car allowance
- Life Assurance at 2 x notional salary
- Single persons private medical cover
- Permanent Health Cover

About Barhale:

Barhale is one of the largest privately owned infrastructure specialists in the UK and was originally formed in 1980 as a specialist tunnelling contractor diversifying over the years into various civil engineering areas. Barhale works UK-wide across the water, transport, energy and developer services sectors providing design, construction and maintenance services under long-term contracts, with blue-chip public, regulated and private clients. The company employs over 600 people in the UK, has an annual turnover of £120m and a distinctive set of values that are fundamental to our approach to business sustainability.

Our business activity is carried out for the following principal sectors:

Water: Civil Engineering, Tunnelling, Pipelines and Utilities

Transport: Rail, Aviation, Waterways, Highways and Bridges

Energy: Power Generation, Power Transmission and Distribution, Waste

Developer Services: Civil Engineering across private sector developers UK wide

Specialist Businesses: Tunnelling, Mechanical and Electrical and Barhale Construction Services (BCS Group)

How to Apply:

Please send your current CV and covering email outlining your suitability for the role and quoting the reference number to careers@barhale.co.uk.

We are an equal opportunities employer. We are determined that no job applicant or employee receives less favourable treatment on the grounds of sex, pregnancy or maternity, gender re-assignment, sexual orientation, religion or belief, marriage or civil partnership, age, race or disability. All information will remain confidential to Barhale and will be handled in accordance with the requirements of the Data Protection Act.
