

Senior Quantity Surveyor

The Role:

The Senior Quantity Surveyor is required to provide commercial support to the project team, maintaining commercial information and ensuring compliance with contractual requirements and ensuring that the Company's 'Three Pillar' objectives are achieved. They will liaise with customer representatives and other third parties on commercial issues including agreement of variations, claims and any additional payments.

Key Responsibilities:

Reporting

- Ensure robust, accurate and timely cost and value reporting at both project and business unit level
- Ensure accurate cash flow reporting takes place
- Carry out cost management including forecasting
- Update the monthly CVR, cost and commercial plans and have accountability, along with the project team for the commercial performance and strategy

Processes

- Help ensure that commercial processes are adhered to across the business unit
- Actively seek to improve processes and procedures
- Have a good understanding of the processes and procedures used by any JV/Alliance that we are working within, and assist in their development and improvement

External relationships

- Ensure that any main contracts entered have terms and conditions that are appropriate for Barhale, with commercial risks identified
- Ensure that the supply chain is engaged appropriately with the correct contract terms and conditions
- Ensure those good client relationships are fostered
Be responsible for subcontract letting, negotiation and financial accounting

Internal relationships

- Effectively assist in managing the commercial team, including cost clerks and commercial support staff
Ensure effective interaction between the commercial team and the operational site teams
- Supervise and mentor Quantity Surveyors

Key measures & targets:

- Accurate monthly forecasting
- Ability to challenge resources and costs
- Maintaining deadlines in line with the monthly commercial calendar

come and work with us

- Company car/car allowance
- 5% Company pension contribution
- Life Assurance at 2 x notional salary
- Single person's private medical cover
- Permanent Health Cover

About Barhale:

Barhale is one of the largest privately owned civil engineering and infrastructure specialists with 40 years of experience working UK-wide across the water, transport, built environment and energy sectors. Founded by our Chairman, Dennis Curran in 1980, the group was originally set up as a specialist tunnelling contractor. Whilst we retain our tunnelling roots, repeated success in several sectors of the construction industry has enabled us to expand our skillset and become one of the largest privately owned infrastructure specialists in the UK.

come and work with us

What we do

We provide design, construction and maintenance services to the following sectors.

- Water
- Transport
- Energy
- Built Environment

We also possess a range of specialist skills to support our civil engineering and infrastructure activities including

- Tunnelling
- MEICA capabilities
- In-house design
- A steel-fabrication and supply subsidiary (BCS Group)

Who we are

Barhale operates as a tier 1 partner for blue chip, regulated and private clients. We work as part of large frameworks, joint ventures and alliances, as well as on individual projects developing long-standing relationships based on Trust, Integrity and Pride.

Our People

We employ a direct workforce of over 800 employees nationwide. We recognise that our business is only as good as the people we employ, which is why we value them so highly and invest in regular training and development, utilising our dedicated training facility in Walsall.
