

HS2

Affinity Water - Notice of Utility work - Mandeville Road

High Speed Two (HS2) is the new high speed railway for Britain.

As part of our preparatory works, Barhale, on behalf of Affinity Water are undertaking work to install new water mains in the Northolt area. This will consist of digging trenches and laying new water main pipes. The work will be undertaken in stages along two roads – Mandeville Road and Carr Road.

Site compound set up

A site compound will be set up on the green space behind the bus turning circle on Mandeville Road. This will started on 16 September 2019.

Works on Mandeville Road

On 30 September, works began, to dig trenches and lay new water mains on Mandeville road. The work will initially be between the Harvester restaurant and Badminton Close.

Traffic management is in place, closing the south bound bus lane along Mandeville Road from Carr Road to the entrance to HS2's works site at the road/rail bridge.

Following on from this, the next section will be from the Badminton close / Mandeville road to the junction with Carr Road. To reduce the noise and limit disruption in the area the second section will be completed via a method known as slip lining, limiting the amount of trenches being dug.

During this second stage, the junction of Carr Road / Mandeville Road, will be closed to traffic. Diversions will be in place and residents will be able to access Carr Road via Castle Road and Briar Crescent. This section of works on Mandeville road /Carr Road, is due to be completed at the end of 2019.

Works on Carr Road

While the junction of Carr Road / Mandeville Road is closed Barhale will start work on Carr Road on November 18 2019, this will mean that as the works move along the road, drives on the west side of Carr Road (odd number side) will not be accessible while works are going past the house, by carrying out these works simultaneously the first section between Mandeville road junction and Briar crescent will be completed by Christmas and the road reopened. In the New Year we return and continue from Briar crescent to the footpath between 223/225 Carr road, where we will connect the new main to an existing main on the railway embankment.

Notification

Duration of works

From 16 September 2019 for 12 Months, starting with works on Mandeville Road for 5 months.

Working hours are from Monday to Friday 8am to 6pm and 8am and 1pm on Saturdays if needed.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:

complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
